

Basic LGBTQ training

LGBTQ competence is important in creating an open and welcoming working environment where both employees, business partners and customers receive inclusive and equal treatment.

Through West Pride's basic LGBTQ training, companies and organizations have the opportunity to increase their competence in LGBTQ issues and norm awareness.

The training focuses on norms, LGBTQ concepts, legislation and the current situation of LGBTQ people worldwide. During the workshop, lectures will be interspersed with group exercises and discussions in the following areas:

- LGBTQ concepts/dictionary
- Sexual orientation and gender identity
- Hetero-normativity and cis-normativity
- The living conditions of LGBTQ people in Sweden and globally
- Legislation
- Openness and diversity

The workshop provides the employees with a common knowledge base on LGBTQ issues.

Duration: 3 hours.

Number of participants: Up to 70 people.

Venue: Suitable venue provided by the company/organization

Cost: SEK 20,000 (no additional VAT). Discount is given to West Pride's partners.
